Statement of Ownership, Management, and Circulation (required by 39 U.S.C. 3685) of September 26, 1985, for *Environmental Progress* Publication No. 02784491, issued quarterly for an annual subscription price of $40 from 345 E. 47th St., New York, NY 10017, which is the location of its publication and business offices. The name and address of the Publisher, Editor, and Managing Editor are: Publisher, Diane Foster, 345 E. 47th St., New York, NY 10017; Editor, Gary F. Bennett, 345 E. 47th St., New York, NY 10017; Managing Editor, Maura Mullen, 345 E. 47th St., New York, NY 10017. The owner is: American Institute of Chemical Engineers, 345 E. 47th St., New York, NY 10017. The known bondholders, mortgagees, and other security holders owning or holding one percent or more of the total amount of bonds, mortgages, or other securities are: None. The purpose, function, and nonprofit status of this organization, and the exempt status for federal income tax purposes have not changed during the preceding 12 months. The following figures describe the nature and extent of *Environmental Progress'* circulation. In each category the first number (in *italics*) is the *average number of copies of each issue during the preceding 12 months*. The number next to it, within parentheses (), is the actual number of copies of the single issue published nearest to the filing date. Total number of copies printed (net press run), *3,800* (3,700). Paid circulation: 1. Sales through dealers and carriers, street vendors, and counter sales: None; 2. Mail subscriptions, *3,086* (3,082). Total paid circulation *3,086* (3,082). Free distribution by mail carrier, or other means; samples, complimentary, and other free copies, *16* (17). Total distribution *3,102* (3,099). Copies not distributed: 1. Office use, left over, unaccounted, spoiled after printing 698 (601). 2. Returns from news agents: None. Total *3,800* (3,700). I certify that the statements made by me are correct and complete. Diane Foster, Publisher.
